

ScholarshipUniverse Student Guide

Students can access [ScholarshipUniverse](#) once they are accepted to UK and have a linkblue ID. After logging in to Scholarship Universe with their linkblue ID, students will be prompted to set up their accounts.

Finding Scholarships

Upon logging in to ScholarshipUniverse, students will see the landing page. Students will click the "I'm Ready!" button to answer questions that will match them with scholarships. Students should answer all questions to the best of their ability. The more information that is available, the better the scholarship matching. Students can answer questions later if they do not wish to answer them at the time. Answers to these questions can be edited as updates become available (updated GPA, change in major, etc.).

Students will be prompted to insert certain criteria, such as major and GPA. Please note that questions associated with a specific scholarship award will not appear for students to answer.
